Such requests will be considered by management to fill a vacancy in the employee's class at the desired site. An employee whose site transfer request is denied shall be responded to in writing. In the event two or more employees are equally qualified to transfer to a vacant position at the new site, and desire to do so, the employee with the most seniority in the department shall prevail. Seniority in this instance is defined as the longest continuous service in the class in the department.

## ARTICLE 5. HOURS OF WORK, PREMIUMS AND BONUSES (Cont'd)

In the event two or more employees have the same length of service in the class in the department, this tie shall be broken by overall county seniority. In cases of employees having the same hire date, the employee with the earliest request date shall receive the site assignment.

However, it is understood that these provisions in no way prevent management from making administrative changes in personnel or site assignments to meet operational requirements on the basis of employee qualifications and without regard to seniority. Administrative changes implemented by the department are within the sole discretion of the department.

### G. Job-Sharing/Part-Time Requests

Employees may request to participate in job-sharing or become permanent part-time employees. Such requests are to be presented to the employee's immediate supervisor and the appointing authority. The Department of Human Resources voluntary transfer list may also be utilized by employees, especially those interested in job-sharing or permanent part-time positions in other departments.

## Section 2. Overtime Work and Compensation

- A. This Section is intended only to provide the basis for the calculation of and payment for overtime and shall not be construed as a guarantee of hours of work per day or per pay period.
- B. Full-time and permanent part-time employees' overtime is authorized or ordered work, actually worked by an employee, which is in excess of the full regularly scheduled work period, as defined in Article 5, Section 1 (B) (1) and (2) of this Agreement. No full-time or permanent part-time employee will be paid overtime unless he/she actually works more than the total number of hours in the full (40, 80 or more) work period as defined hereinabove. The appointing authority shall assure that all overtime is distributed in a fair and equitable manner.

### Irregular Schedules

For employees in exempt classes, (overtime designator "C"), when a mutually-agreeable irregular work schedule is adopted as the employee's routine work schedule, and such schedule results in the employee working more, or less, than forty (40) hours in a week, but which schedule totals eighty (80) hours in a biweekly pay period, the hours worked in the weeks which exceed forty (40) hours shall not be considered overtime in accordance with the definition of work period hereinabove.

## ARTICLE 5. HOURS OF WORK, PREMIUMS AND BONUSES (Cont'd)

### Computation of Overtime

Computation of overtime shall be based on the employee's regular rate of pay. This regular rate shall include the base rate for the employee's classification plus all differentials or bonus rates to which the employee would be entitled for the overtime work performed.

### Exclusion of Leave from Hours Actually Worked

Notwithstanding any other policy, practice, rule, regulation or Memorandum of Agreement provision (except Section 3, Call-Back Work) to the contrary, any absence including, but not limited to, paid sick leave, disability leave, bereavement leave, vacation, jury duty, reporting for a draft board, compensatory time off or the investigation, preparation or presentation of a grievance, or other release time granted for an employee to engage in lawful employee organization activity, or unpaid work furlough or any other paid or unpaid time off which may be infrequent, sporadic or unpredictable, shall not be counted as hours actually worked during a work period when establishing eligibility for any type of overtime compensation.

Compensation is defined as either cash payment or compensatory time off, or a combination of cash payment and compensatory time off, in accordance with the overtime code established for the employee's class. Employees shall have their overtime hours computed as follows:

- Code "F"  
(FLSA Covered) – Employees covered by FLSA are eligible for overtime at time and one-half cash or compensatory time off.
- All employees – All employees are eligible for a minimum of three (3) hours call-back overtime at time and one-half cash or compensatory time off (4.5 hours).
- Code "C"  
(FLSA Exempt) – Employees exempt from FLSA are eligible for straight cash or compensatory time off.

Appendix "A" of this Agreement sets forth the overtime codes for each class.

The decision to pay for overtime in cash or compensatory time off shall be at the discretion of the appointing authority.

## ARTICLE 5. HOURS OF WORK, PREMIUMS AND BONUSES (Cont'd)

### C. Accrual of Compensatory Time Off

When an employee is allowed to accumulate compensatory time off, such accrual shall be limited to a maximum of 160 hours at the beginning of a biweekly pay period. Balances which exceed 160 hours will automatically be reduced to 160 hours.

Employees will be given the opportunity to take off accumulated compensatory time before exceeding 160 hours or having their accumulation reduced. When granting compensatory time off, the appointing authority will give consideration to the desires of the employee.

An employee shall have fifteen (15) working days advance notice before being required to take compensatory time off. This 15-day notice shall not apply to departments headed by elected appointing authorities unless approved by said elected appointing authorities.

An employee, who has reached 80% of the maximum accrual limit of compensatory time off, may request the appointing authority to pay off a specified amount of FLSA ("F" coded) compensatory time which was earned and credited while actually working in an overtime status. When pay off is approved by the appointing authority, it shall be paid on an hour for hour basis at the employee's current rate.

Employees who are laid off shall receive compensation for unused compensatory time (See: Article 10, Section 4 (I) -"Cash in Lieu of Compensatory Time Off.") earned after April 15, 1986 in an FLSA-covered status. Such compensation shall not exceed 160 hours.

If an employee transfers for any reason other than discipline or demotes in lieu of layoff to a classification whose maximum allowable accumulation of compensating time off is less than that of this Section (160 hours), such employee shall be given one-year period after such transfer or demotion to reduce accumulated compensating time off to the lower maximum accumulation.

All unused compensatory time will be paid off in event of death of the employee.

### D. Residential Care Facilities

Employees employed in a County hospital or facility primarily engaged in the care of persons who are sick, the aged, or the mentally ill, (or) (defective) which persons reside on the premises may be compensated at a rate not less than one and one-

## ARTICLE 5. HOURS OF WORK, PREMIUMS AND BONUSES (Cont'd)

half times the regular rate for any work actually performed in excess of eight (8) hours in any workday and in excess of eighty (80) hours in a fourteen (14) consecutive day work period.

### Section 3. Call-Back Work

#### A. Call-Back Definition

Call-back work is work required of an employee who, following completion of the employee's work day and departure from the employee's work site, is ordered to report back to duty to perform necessary work.

To qualify for this call-back provision, an employee must leave the place from which the employee is called and actually report to a work site.

Exclusions: Neither changes in a shift or work schedule when at least 15 hours advance notice is given, nor service performed on a regular standby shift, or from a voluntary listing on an available list (Section 5) shall constitute call-back work.

Compensation: An employee who is called back, as defined above, shall receive a minimum of three hours time at either time and one half pay or comp time at time and one-half for a minimum of three (3) hours. The decision to pay for overtime worked in cash or compensating time off shall be the sole discretion of the appointing authority, and is non-appealable by the employee. Paid leave shall not affect compensation for hours actually worked in excess of three hours and not a part of a regular work shift for covered or exempt employees called back during a work period (pursuant to Section 2 (B) above). Actual work performed in excess of three hours and not part of a regular work shift shall be compensated as overtime in the same manner such employees (covered or exempt) receive scheduled overtime compensation.

#### B. Services Performed at Place of Contact

An employee contacted by the department during his/her off duty hours and required to perform services without leaving the place of contact, shall receive compensation for such time worked in the same manner such employees receive scheduled overtime compensation. To be eligible for such compensation, employees must be authorized and ordered by the department to perform such services.

#### C. Court Call-back

## ARTICLE 5. HOURS OF WORK, PREMIUMS AND BONUSES (Cont'd)

Call-back shall also include an order to appear before a court where the employee is representing the County and not on his/her regular shift.

- D. Upon mutual agreement between the employee and the appointing authority, call-back overtime hours actually worked may be used to delay the start of the next work day.

### Section 4. Standby Duty Compensation

#### A. Standby Duty Defined

Standby duty means that an employee is assigned to specific hours outside the normal workweek assignment, during which the employee must remain where such employee can be contacted by telephone, ready for immediate return to work to perform an essential service.

#### B. Critical Standby Duty Defined

A standby shift is "critical" where the employee must report immediately upon being called to perform a service which cannot be delayed until the next normal working day, which service is so critical as to frequently mean the difference between life and death.

#### C. Standby Positions Designated

The Chief Administrative Officer must approve the designation of all Standby positions and Critical Standby positions.

- D. Standby duty shall not count as time worked, except to the extent that an employee is required to, and does actually return to a work place and perform actual service. Employees assigned to standby shall not be entitled to call-back work compensation, unless otherwise provided under the call-back provisions.

#### E. Standby Compensation

Employees shall be paid the equivalent of one hour's compensation for each normal standby shift, provided such shift is not longer than the employee's normal workday. A normal workday is defined as at least eight hours. Employees shall be paid the equivalent of two (2) hours compensation for each "critical" standby shift. Standby compensation shall be made for only those employees occupying positions designated as Standby in accord with Section 4 (C) hereof.

## ARTICLE 5. HOURS OF WORK, PREMIUMS AND BONUSES (Cont'd)

### Section 5. Available Time

#### A. Available Time Defined

Available time means that an employee has requested to be considered for hours of work in addition to his/her routine work schedule during which such employee can be contacted by telephone for immediate return to duty to perform an essential service.

- B. Available time shall not count as time worked, except to the extent that an employee is required to, and does perform actual service. Such time performing actual service shall be compensated at the employee's regular overtime rate.

### Section 6. Non-Routine Shift Change Compensation

Where employees are scheduled in advance for a specific shift and specific days off for any biweekly pay period and it becomes necessary for management to change such a shift or day off to meet operational needs or cover for unscheduled absences, an employee whose schedule is changed with less than 14 calendar days notice shall receive a thirty dollars (\$30) premium in addition to the prescribed biweekly salary for such employee's classification. This in no way affects an employee's right to the call-back or overtime provisions of this Memorandum of Agreement.

### Section 7. Shift Differential

- A. Employees shall be entitled to second (night) shift differential. Such second shift differential shall be 55 cents per hour, in addition to the hourly rate of pay prescribed for the employee's classification. Second shift differential shall be paid to an employee who is assigned to an established second (night) shift where more than half of the hours of such shift occur between 5 p.m. and 8 a.m.
- B. Employees shall be entitled to third (graveyard) shift differential. Such third shift differential shall be 55 cents per hour, in addition to the hourly rate of pay prescribed for the employee's classification. Third shift differential shall be paid to an employee who is assigned to an established third (graveyard) shift where more than half of the hours of such shift occur between 5 p.m. and 8 a.m.

This premium shall apply to time worked and shall not apply towards paid time off or to terminal payoff.

## ARTICLE 5. HOURS OF WORK, PREMIUMS AND BONUSES (Cont'd)

### Section 8. Temporary Assignment Compensation

Upon written request of an appointing authority, prior to assignment (or in an emergency within five working days thereafter), the Director, Department of Human Resources, may approve a temporary advancement of a qualified employee, whose merit, skill and ability will be considered, assigned to perform the duties of a class which is or should be compensated at a rate higher than such employees class when such position is temporarily vacant or the incumbent is absent therefrom. The assignment must be for over three (3) weeks but not over twenty-six (26) weeks.

Employees on temporary assignments, after three (3) weeks, will be compensated from the first day of appointment. When an employee is assigned to a temporary advancement status, he/she will remain in his/her current class but shall be paid a bonus rate which shall be the difference between the rate of compensation of his/her current class and that of the temporary vacant class.

It is hereby affirmed that a temporary assignment will not be rotated between employees to avoid the proper application of temporary assignment compensation.

Further, allegations by an employee regarding assignment of duties above the level of the employee's classification may be appealed pursuant to Section 12.5, "Employee Request For Classification Review", of the Civil Service Rules.

### Section 9. Remote Location Premium (CR Unit Only)

This premium shall apply to time worked and shall not apply towards paid time off or to terminal pay off.

### Section 12. Bilingual Premium

Compensation for Bilingual Ability. Upon assignment to a position which has been determined to require bilingual skills, a qualified employee is entitled to receive bilingual premium. In order to insure an adequate level of bilingual proficiency, the Department of Human Resources may require periodic evaluation of incumbents receiving bilingual premium.

To qualify for this rate, the employee must be assigned to a position designated as requiring bilingual skills 50% or more of the time or 40 hours or more in an 80-hour biweekly pay period or to a position designated as requiring technical bilingual skills (reading, writing, translation). This fifty percent usage requirement shall mean the actual time spent conversing or interpreting in a second language.

To earn vacation credit, or become entitled to take vacation, an employee must be paid at a biweekly rate.

Where the rate of pay of an employee is changed to an hourly, per diem, per clinic, per license issued or any other rate of pay other than a biweekly rate, such employee shall not be entitled to any vacation and shall discontinue earning vacation credit. Such employee shall be paid the monetary value of all his/her unused vacation credit and for any vacation earned but not yet credited to him/her at the time of the change in his/her rate of pay.

An employee's vacation earned becomes available for use as it is accrued, and may be used in the payroll period following the payroll period in which it was earned. However, no vacation credits shall be eligible for terminal payment until the employee has completed a minimum of one year (twelve (12) months) of continuous paid service in his/her current employment.

#### B. Earnings

Eligible employees earn vacation credit as follows:

<b>Years of Continuous Service During Present Employment</b>	<b>Vacation Credit For Each Hour of Regularly Scheduled Paid Service</b>	<b>Hour/Day Approx. Equivalent For Full-Time Employees Over One Year (26 Biweekly Pay Periods)</b>

### C. Granting Requests, Schedules

The appointing authority determines the time and duration of vacation taken by the employee. Therefore, the advance consent of the appointing authority is required to be obtained by an employee prior to using vacation.

The appointing authority shall endeavor to respond as soon as possible to an employee's written request for vacation but not later than thirty (30) days from the date the request is submitted.

Vacation schedules shall be arranged with particular regard to the needs of the service, and, so far as possible, with the wishes of the employee.

### D. Maximum Allowable Accumulation

#### **Effective through January 9, 2002:**

The balance of an employee's vacation accumulation on the first day of the seventh payroll period of each fiscal year shall not exceed an amount equal to twice the annualized vacation earnings rate of the employee for the sixth payroll period of said fiscal year.

Each appointing authority shall allow each employee the opportunity to take his/her vacation prior to reaching the employee's accrual limit or before being reduced to the maximum.

The appointing authority shall provide notice to the employees of the amount of vacation required to be used to conform to the maximum allowable accumulation. However, if the needs of the service prevent an appointing authority from providing the employee with the opportunity to take the vacation credit required to conform to the maximum allowable, the employee shall retain all accumulated vacation credit. For other good cause or extraordinary circumstances, the CAO may, upon request of the appointing authority, certify the retention of all or a portion of vacation credit for a specified period of time.

No employee earning 7.692% or less of a working hour of vacation credit for each hour of paid service shall be required to take off more than 240 hours (30 days) of vacation time each fiscal year. Employees earning more than 7.692% of a working hour of vacation credit for each hour of paid service shall not be required to take vacation credit of more than 280 hours (35 days) of vacation time each fiscal year.

### **Effective January 10, 2002:**

1. The balance of an employee's vacation credits of record (including vacation earned but not credited); hereinafter "accumulation" shall not exceed an amount equal to twice the annualized current vacation earnings rate of the employee. This is the employee's "Maximum Balance."
2. In any payroll period, an employee shall earn vacation equal to the lesser of:
  - a. The amount specified in Section "B" above; or
  - b. The amount of earnings necessary which, when added to the employee's existing accumulation, will cause the accumulation to equal the employee's Maximum Balance.
3. If, at the end of any payroll period, an employee's accumulation equals or exceeds the employee's Maximum Balance, no vacation credits shall be earned by the employee for that payroll period.
4. Employees whose vacation accumulation exceeds their Maximum Balance on the effective date of this agreement will not have the excess credits removed except through normal usage (including Catastrophic Leave donations) or pay down in accordance with Section 2.E. below, or adjustment required to correct an error.
5. The County shall notify employees who have reached eighty percent (80%) of their Maximum Balance.

### **E. Vacation Credit Paydown**

## ARTICLE 6. PAID LEAVES (Cont'd)

4. The employee has requested, and been denied, use of vacation prior to reaching his/her Maximum Balance.
5. The paydown shall be limited to an amount which will leave a remaining balance of no less than seventy-five percent (75%) of the Maximum Balance.
6. When an employee is to be paid or credited the monetary value of vacation, such compensation shall be made on the basis of the employee's basic rate of pay at that time plus those applicable premiums or bonuses which are being paid as part of the employee's hourly rate at the time of separation exclusive of any biweekly fixed dollar amount premiums and any other premiums specifically identified as excluded from terminal payout.

### F. Extraordinary Work Load Exception

The County may deduct from any future payments it makes to such employee an amount equal to the total of such excess payment. Insofar as practical, such deduction shall be done by a method that will not cause undue hardship to the employee. To the extent that such deductions represent compensation for sick leave used, the employee's sick leave balance shall be restored.
3. Nothing herein contained shall be deemed to affect the employee's entitlement to medical, surgical and hospital treatment or temporary disability indemnity benefits under Workers' Compensation.

### J. Light Duty

Where the injured employee's treating physician authorized by the County recommends light-duty assignment, it will be the responsibility of the appointing authority to arrange suitable light duty. 1. The immediate removal of the employee from the County work site is essential to avert harm to the County (including unauthorized destruction or removal of any property or records of the County), the public, other County employees, or the employee himself or herself, and that such circumstances are sufficiently unclear to make a final determination without an investigation of whether the employee contribute to such harm.
2. The removal of employee from the County work site is essential to insure the conduct of a full, fair and complete investigation of such emergency or extraordinary circumstances.

## ARTICLE 6. PAID LEAVES (Cont'd)

### D. Ineligibility

3. The emergency or extraordinary circumstances, referenced under subsection (C) above, are, as a result of the Skelly hearing, sufficiently clear to indicate that the employee's conduct has caused such circumstances and that such conduct constitutes grounds for immediate suspension or termination pursuant to Rule VII of the County of San Diego Civil Service Rules.

### E. Procedures

The appointing authority may commence such investigation prior to the date of the written notice.
3. If prior to the end of the administrative leave period (as specified in the written notice to the employee), the appointing authority determines that the employee's absence is no longer essential, the appointing authority shall notify the employee that administrative leave is no longer authorized effective the next working day and direct the employee to return to duty on such date. Such notice may be oral, but must be memorialized in the form of written notice which shall be provided to the employee. A copy of this notice shall be sent to the Director and the Payroll Division of the Auditor and Controller.

## ARTICLE 6. PAID LEAVES (Cont'd)

An employee shall be entitled to read any statement, written by the employee's supervisor or departmental management, on his/her work performance or conduct if such statement is to be filed. No such statement shall be filed before all County appeal rights are exhausted.

If such a statement is inadvertently filed before all County appeal rights are exhausted, the employee may request sealing of the applicable portions of his/her file by the Civil Service Commission. The request for sealing may be made after a decision on the appeal has been rendered. All such statements on which filing is delayed pending completion of the County appeal process, shall be filed upon the rendering of a decision, if such decision upholds the statement or charges against the employee in whole or, if upheld in part, it shall be filed as amended.

The employee shall acknowledge reading such material by affixing his/her signature on the actual copy to be filed, with the understanding that such signature merely signifies that the employee has read the material to be filed and does not necessarily indicate agreement with its content. If the employee refuses to initial, the supervisor will sign, noting the refusal of the employee to initial. Any employee shall have the right to rebut in writing any material placed in his/her personnel file and such rebuttal shall be added to the file.

Disciplinary action includes a written reprimand, suspension, demotion, or discharge. ### Section 3. Legal Representation

Upon request of an employee and subject to any limitations provided by law, the County will provide for the defense of any civil action or proceeding initiated against the employee by a person or entity other than the County in a court of competent jurisdiction on account of any act or omission occurring within the course and scope of his/her employment as an employee of the County.

Nothing herein shall be deemed to require the provision of such defense where the discretion to provide or not provide such defense is vested in the County pursuant to the provisions of the California Government Code, now and as amended or where the act or omission was not within the scope of the employee's employment, or the employee acted or failed to act because of actual fraud, corruption or actual malice, or where the provision of such defense would create a conflict of interest between the County and the employee.

In such case, the foregoing provisions shall be applied to the division, office, section, institution or other subdivisions within which the Chief Administrative Officer has authorized the layoff. Prior to such layoff, the appointing authority shall provide the Union with notice and, upon request, shall meet on the impact of the layoff with the Union to discuss this matter and alternatives to such layoff.

When the appointing authority so requests, employees who perform required services and possess specialized knowledge, and/or skill not possessed by other employees in the Department and which are necessary to the operation of the Department, may be excepted from layoff, as authorized by the Civil Service Commission pursuant to a finding that such exception from layoff is in the public interest.

Prior to the occurrence of a layoff, the Director, shall provide written notice to the Union when the Department is notified of any employees covered by this Agreement, who are identified for layoff. The employee shall be informed that failure to contact or meet with the Director or designated representative within the prescribed period will be deemed a waiver of any objections that might have been raised regarding the list, rating, or ranking;
- h. A statement that the layoff will be effective on the date indicated unless the appointing authority advises the employee in writing otherwise prior to the effective date and time set forth on the notice;
- i. A copy of provisions of Rule XIV of the Rules pertaining to layoff.

### F. Seniority

Seniority is the employee's total hours of continuous County service. All service of a blanketed-in employee shall, for the period prior to classification to the position, be credited for seniority purposes whether or not it was continuous. All seniority is lost upon resignation or dismissal. Any employee who has gained permanent status and is laid off, shall, if reinstated, regain his/her seniority credit possessed at the time he/she was laid off.

### G. Calculation of Layoff Rating

1. Continuous-service-date to May 23, 1986 ("historical" layoff rating). The purpose of this "historical" layoff rating is to calculate employees' service credit for purposes of the past to the date of the last full pay period May 9, 1986. These points will constitute employee's layoff rating for the past, to which the points calculated for prospective implementation (standard layoff rating) will be added as provided below:

Historical layoff rating: One (1) point for each hour of continuous (unbroken) service from last date employee was hired into the classified service (80 points for each full biweekly pay period).

Total: \_\_\_\_\_ Hrs./Points

The total of these two ratings shall constitute the employee's official layoff rating.

### H. Demotion in Lieu of Layoff

The appointing authority shall determine by class, subject to review by the Director, whether demotion shall be afforded employees as an option in lieu of layoff.

At the request of the appointing authority, a permanent employee shall, in lieu of layoff, be afforded the option of demotion within the same department to a position in a lower class, provided that no such demotion shall in turn require the layoff or demotion from such lower class of any employee whose layoff rating is at least as high as that of the demoting employee. A probationary employee may be afforded the opportunity to accept a demotion within the same department to a position in a lower class provided no such demotion shall in turn require the layoff of any employee in the lower class. Such probationer shall not become permanent in the lower class by this action except by completing a new full probation period in such lower class.

### I. Cash in Lieu of Compensatory Time Off

The Board of Supervisors may approve the payment of cash in lieu of compensatory time off for any employee who is laid off when such payment is in the best interests of the public service.

### J. Eligibility to be Placed on Reinstatement List

A permanent employee who is laid off, demoted in lieu of layoff, or whose compensation ordinance position is to be deleted as a result of the Board of Supervisors having had a second reading of an Ordinance amendment to delete the position, shall have his/her name placed on the reinstatement list for the class from which the employee is, or is to be, laid off or demoted in lieu of layoff. In addition, if the employee on the reinstatement list is appointed to a class from which he/she was laid off, or to a different class of equal to or greater status than the reinstatement list class, then his/her name shall be removed from the reinstatement list. An employee who accepts an offer of reinstatement to the class from which he/she was laid off shall also be removed from the reinstatement list upon the date of reinstatement. The placement on the reinstatement list shall be determined in the same manner as for the order of layoff except in the inverse order thereof.

Employees on the reinstatement list shall have the first right of reinstatement to any vacancies in any department for the class for which he/she is eligible for such reinstatement, subject to the following:

1. A new probationary period shall not be required of an employee reinstated to a department from which he/she was laid off.
2. A new probationary period shall be required of an employee reinstated to a different department than that from which he/she was laid off, except that failure of probation shall return the employee to the reinstatement list. In no event shall such failure of probation extend the employee's placement on the reinstatement list beyond three years from the date of placement on it.
3. A reinstated employee will regain his/her seniority credit possessed at the time he/she was laid off, which shall count for purposes of vacation accrual rate and step increase. In addition, the employee's sick leave balance (except for that portion for which the employee paid cash at the time of layoff), and compensatory time off balance accrued as of layoff, shall be reinstated.

After receipt of a written report, the supervisor shall have the responsibility to remedy the situation or to seek an opinion from qualified personnel in the County whether an unsafe working condition exists. If a determination is made that an unsafe working condition exists, corrective action process shall be initiated as soon as possible.
- E. If the supervisor fails to respond or refuses to initiate the corrective action process, the employee may present the written report to his/her Union steward, or if no steward is available, the Union field representative. Such Union officer shall be entitled to communicate with the appropriate safety officer(s) or, subsequently, the appointing authority's representative to seek a resolution of the issue.

## 1. **FLEET TECHNICIANS**

This attests to and records the agreement of the County of San Diego (County) and Service Employees International Union, Local 2028, AFL-CIO, CLC (Union), (CR Unit) regarding Fleet Technicians and the ASE certification requirements.

The Union has identified concerns regarding the ASE certification requirements for the Fleet Technician series and has proposed alternative incentives for these certifications.

The County and the Department of General Services agree to remove the four ASE certification requirements for the Fleet Technician classification (#6103). However, employees in this classification will continue to be encouraged to continue their automotive education including obtaining ASE certifications.

Additionally, the Department of General Services agrees to continue meeting with SEIU to discuss the status of employees in the Senior Fleet Technician and Master Fleet Technician classifications and their pursuit of the required ASE certifications required for these positions. The Department of General Services and the Union agree to work together with employees in these classifications to encourage and facilitate their pursuit of the required certifications by July 1, 2005.
